

Kaleo Wheeler

Speaking & Storytelling
Speaker | Author |
Positive Encourager &
Communicator

Kaleo is the Director and Owner of Own Your Authentic Voice to Live Your Best Life...Ever!!! She is also a Spiritual Teacher and hands-on guide with her Women's Mentoring Program.

She is an author, recording artist, song stylist, podcast host and speaker and musical storyteller. She has been speaking and telling her stories for over 35 years throughout the US and Canada. She paints pictures of an ancient indigenous system of living that embraces joy, positive communication, unity and wellbeing.

Venues include Corporate Events, Clubs & Organizations, Cultural Events, Fundraisers & Benefits, Private Parties, Colleges & Universities, Healing Centers & Church Services, Festivals, Senior Residences and Community Outreach Programs, Schools as a South Carolina Arts Commission Artist in Residence and online conferences and podcasts.

For live events, she often shares her stories, fusing her "talk story" with her rich, warm singing voice and with an ancient form of storytelling through movement. Kaleo effortlessly engages the audience to be an integral part of the entire experience. They return home feeling renewed, inspired, energized, uplifted and more at peace within themselves and with their world.

"We fell completely in love with Kaleo. Her kind spirit and the gentleness of her words and thoughts just made our hearts rejoice. After her presentation there were smiles on everyone's faces. It was as if our spirit was lifted up."

William T, Senior Residence Activity Director Johnson City, TN

"When experiencing Kaleo speaking and telling her stories, you experience being totally involved with her as she is fully present in the world of the story she is sharing. She draws the audience in to open their hearts and be a part of that story with her. A true storyteller! Absolutely beautiful!"

Sekou Miller, The Alvin Alley Theater, New York City

As a Positive Encourager and Communicator, bringing an ancient Spiritual and Pragmatic system of living to today's world where it is still so relevant and so needed.
